

KTAI MEMBERSHIP

REAL SCIENCE. REAL RESEARCH. REAL RESULTS.

It is the skill and enthusiasm of our trained Certified Kinesio Taping Practitioners® (CKTPs®) and Instructors (CKTIs), that has helped make Kinesio Taping® a **worldwide phenomenon**.

The KTAI Certification is the ONLY globally recognized educational program in this field. The curriculum reflects 25 years of educational seminars, symposiums, forums and professional sharing among tens of thousands of professionals worldwide.

A membership allows KTAI to continue to update practitioners with the latest news, advancements and research relating to the Kinesio Taping® Method via member newsletters and Advance Healing Magazine. **KTAI members are engaged in treatment, research and other related activities** to advance and spread the Kinesio Taping Method.

KTAI CERTIFICATION

GET CERTIFIED.

The journey will include practical training and research, professional sharing through meetings and symposiums, published articles and much more. Inherent in every technique offered and studied is the requirement to help patients, whether for support, correction or rehabilitation.

THE 4 STEPS TO SUCCESS

"I encourage attendees to get certified, as those 4 letters after a name ensure confidence that the clinician strives to remain current in the ever changing world of medicine and they know when and how to use the Kinesio Taping Method."
